I request _____ additional bin(s) because:

- There is a second (or number _____) permanently separately used and inhabited house / flat / unit (identify which) on this property.
- There is a second independent and separate business operating at these premises
- The 240 litre capacity of my existing bin does not meet my needs.

<p>Notes:</p> <ol style="list-style-type: none">1. Each rateable property (SUIP) within Council's collection area will be allocated one wheelie bin.2. Additional bins are available on request and will attract an additional targeted rate (per bin).3. You will be invoiced by Council for the bin until payment is included in rates at the commencement of the next rating year.4. An additional re-servicing fee is charged to you by the contractor should a bin be returned and then re-requested.
