I/We _____

(full name and address of applicant)

apply for the following type(s) of resource consent.

State one or more of the following: land use consent, subdivision consent and describe the activity to which the application relates.

The names and addresses of the owner and occupier (other than the applicant) of land to which the application relates are as follows: *

* Delete if not applicable.

The location of the proposed activity is as follows:

Describe the location as it is commonly known and in a way that will enable it to be easily identified (e.g. the street address, the legal description to which the application relates, proximity to any well-known landmark, the grid reference (if known)).

No additional resource consents are needed for the proposed activity.

Or

The following additional resource consents are needed for the proposed activity and have (or have not) been applied for: *(give details)*

I/We attach, in accordance with the Fourth Schedule of the Resource Management Act 1991, an assessment of environmental effects in the detail that corresponds with the scale and significance of the effects that the proposed activity may have on the environment.

I/We attach any information required to be included in this application by the district plan, the regional plan, the Resource Management Act 1991, or any regulations made under the Act.

(List all documents that you are attaching)

As this is an application for a subdivision consent, I/We attach information that is sufficient to adequately define: *(delete if this is not an application for a subdivision consent)*

- (a) the position of all new boundaries; and
- (b) the areas of all new allotments; and *(delete if the subdivision involves a cross-lease. Company lease or unit plan)*
- (c) the locations and areas of new reserves to be created, including any esplanade reserves and esplanade strips; and
- (d) the locations and areas of any existing esplanade reserves, esplanade strips, and access strips; and
- (e) the locations and areas of land below mean high water springs of the sea, or of any part of the bed of a river or lake, to be vested in the Crown or local authority under section 237A of the Resource Management Act 1991; and
- (f) the locations and area of land to be set aside as new roads.

As this is an application for a resource consent for reclamation, I/We attach information to show the area proposed to be reclaimed, including its location, the position of all new boundaries, and the portion of that area (if any) to be set apart as an esplanade reserve or esplanade strip. *(delete if this is not an application for a resource consent for reclamation)*
