Draft Community Plans out for Community Feedback

After two successful community workshops for Waipiata and Cromwell during November, draft community plans are now available for community feedback. These plans are about community ownership and include multiple layers of ideas that reflect the community's aspirations.

Find out what is being suggested in Waipiata with the Rail Trail or Cromwell's views on The Mall or Lake Dunstan.

Spokesperson for the Cromwell Community Plan working group Glen Christiansen said that "Development will happen whether we like it or not - the challenge is to define the type of development we prefer".

Submissions close for the Waipiata Plan on 8 February 2008 and the Cromwell Plan on 22 February 2008. Community feedback and suggestions are welcome.

Copies are available from the Service Centres and libraries and Council's website - www.codc.govt.nz

Alternatively, contact one of the service centres or the Community Development Manager (03) 440 0629 to get a copy sent to you.
