

## **Media Release**

4 April 2008

### **Utilities Maintenance Contract**

At its meeting 2 April 2008 Council approved the award of its Utilities Infrastructure Maintenance Contract to Delta Utilities Services Ltd.

The contract includes the operation and maintenance of all Council owned water/wastewater/stormwater networks and treatment facilities.

Delta Utilities Services Ltd currently holds the Utilities Maintenance Contract.

The contract is for 5 years commencing 1 July 2008 there are two 2 year right of renewal extensions which are subject to suitable performance.

Council received 5 tenders for the maintenance contract and wishes to thank all tenderers for the input into the contract renewal process.
