

Media Release

4 February 2008

Waipiata Community Plan

It is now the final days for giving feedback on the draft Waipiata Community Plan.

Council's Community Development Manager, Mathew Begg said, "Only one submission has been received to date, which would suggest, either the draft Plan is on target with what the community said, or people have yet to give their feedback."

Copies are available from the Service Centres and libraries and Council's website - www.codc.govt.nz Alternatively, contact one of the service centres or the Community Development Manager (03) 440 0629 to get a copy sent to you.

Submissions close at 5.00 pm this Friday, 8 February.
