

## **Pride in Workmanship Award Judging Panel**

### **Malcolm Macpherson PhD JP**

Malcolm Macpherson is the third-term mayor of Central Otago District, an elected member of the Otago District Health Board and a member of the council of the Otago Polytechnic. He was once a geologist, with exploration and mining experience in New Zealand and the Pacific, as well as extended spells in Australia and Indonesia, but has also been a studio furniture maker and event organiser (in the UK during the Thatcher years), and a desktop publisher (on the West Coast of New Zealand in the Lange years).

He has a parallel existence as a writer (for example in QnewZ, the newsletter of the New Zealand Organisation for Quality) and consultant in organisational excellence, and a small international (mostly SE Asian) practice as a business excellence assessor.

His areas of interest are economic development, community services (especially health services), heritage, and the visitor industries. He was inaugural chairman of Otago Forward, the Otago regional economic development agency, and chairs The Central Employment Trust, an industry and local authority collaboration that spun-off Central prospects, a grower-owned provider of employment market solutions for Central Otago.

### **Paul Checketts**

Paul is the youth and vocation director of the Alexandra Rotary Club.

In his day career, Paul is a Chartered Accountant, specializing in practice management and business coaching. He also assists young accountants in Otago/Southland to complete their professional accounting school qualifications.

Other areas of interest that Paul is involved in include being on the Board of Trustees at Dunstan High School, a member of the Clyde Recreation Reserve Committee, and vice president of the Alexandra Badminton Club.

Paul lives in Clyde with his wife Yve and teenage son Steve.

## **Humphrey Catchpole**

Humphrey currently holds a number of positions including; Independent director of Otago Pellet Fires Ltd., Training and Development Consultant for New Zealand Institute of Management Southern, Layperson Representative on the Otago District Health Board Complaints Review Committee and the Quality Improvement Committee and Patient Visitors Analysis Group. He is also the Otago Rugby Football Union Metropolitan Committee and Judiciary Sub-Committee and Secretary/Manager of University of Otago Rugby Inc., and involved on the Fernhill Community Group Inc. Committee Night Shelter Trust Board as a liaison member and Board Member of the Otago Employment Trust.

Previously Humphrey held a number of management positions with Technology Holding Ltd and PDL Holdings Ltd in Australia, England and in Germany and also with Honeywell SA in Brussels.

He is also Associate Fellow, with Advertising Institute of New Zealand and New Zealand Institute of Management.

## **Lindsay McIntyre**

Lindsay is the Rotary International District 9980 Governor for 2008-09.

Originally from Tuatapere, Lindsay attended Waitaki Boys High for secondary schooling, then completed accountancy at Otago University and became a Fellow of the Institute of Chartered Accountants. He is married to Mary and they have three sons.

Recently retired as a partner in the Invercargill practice of McIntyre, Dick & Partners, Lindsay now practices as a consultant, living and working from Bannockburn.

Community involvement has been extensive. Lindsay has been the Board of Trustees Chair for Rosedale Intermediate, Council member for Southland Polytechnic, Southland Branch President of the Institute of Chartered Accountants and Chair of the National Institute of Chartered Accountants Primary Sector Committee., also a past Chair of Presbyterian Support New Zealand. Currently Chair of Presbyterian Support Southland and an Elder in the Presbyterian Church.

Rotary involvement has included President of Invercargill East, membership of the District 9980 Rotary Youth Exchange Committee for eight years and two years as Assistant Governor. Lindsay was awarded a Paul Harris Fellowship in 2006 recognising active involvement in both Rotary and the community.
