

User Guide for Building Consent Applicants Heating Appliance

Please complete this user guide, your building consent application and compile all the necessary documentation. When you are ready to lodge your application, please phone 4400056 [Alexandra] or 4450211 [Cromwell] and make a PAC appointment.

A Building Control Officer will be allocated to review your application for completeness and compliance prior to being accepted. If there is further information required after the application is accepted you will be contacted requesting this detail.

Complete and technically correct building consent applications are processed FASTER than incorrect ones.
