Cromwell Memorial Hall Redevelopment

Following the community input into the redevelopment options for the Cromwell Memorial Hall, the Cromwell Community Board has confirmed its preferred option.

The Board has agreed to the redevelopment of the existing hall, as outlined in Phase 1 of the Preliminary Design Report, prepared by Beca, will be undertaken pending the availability of funding.

The design of the proposed redevelopment in the Preliminary Design Report can be viewed on www.codc.govt.nz at the Cromwell Service Centre, 42 The Mall, Cromwell or at the Cromwell Library, 43 The Mall, Cromwell.

Feedback should be forwarded to the Community Facility Officer, Ev Bisset, Cromwell Service Centre, 42 The Mall, Cromwell or PO Box 2, Cromwell or email evelyn.bisset@codc.govt.nz by 29 July 2011.

The Redevelopment project has been included in Yr 2 (2013/14) of the draft 2012/22 Long Term Plan (LTP). A statutory public consultation process will begin early in 2012 on all projects included in the LTP. This will give the community another opportunity to submit on the proposed redevelopment of the Hall.
