Place your bin close to the kerb or roadside and half a metre away from other bins, poles, fences, letterboxes etc.

Do not overfill, bin lid must be closed. Extra items placed on top or next to the bin will not be collected.

Your nearest transfer station for greenwaste, additional recycling or refuse is **Ranfurlly** (Drumglass St). Some charges apply.

Your bin must be out by **7** am.

75kg

Maximum weight.

Additional Council bins are available on request (charges apply). Commercial collections for recycling or rubbish can be arranged. Call Council for more information.

KEY TO COLLECTIONS

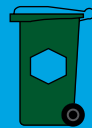

MIXED RECYCLING

Your recycling is sorted by people not just a machine, so wash all items before they go in the **YELLOW** bin.

GLASS RECYCLING

Clean glass bottles and jars in the **BLUE** bin only. No lids.

HOUSEHOLD RUBBISH

Don't put anything in the **RED** bin that could be recycled, is hazardous or may damage the collection truck eg. scrap metal.

PUBLIC HOLIDAY (No collection)

You can check your collection day and read tips and FAQs about this service online at www.codc.govt.nz/kerbside-collections

TOWARDS ZERO WASTE AND A SUSTAINABLE CENTRAL OTAGO

We are using too much stuff. It isn't doing the planet any favours and it's costing us lots of money. If we bought less stuff, fewer packaged and single-use items, and if we recycled more and composted everything organic from our gardens and kitchens we would not have much to deal with at the kerbside. This is great for the planet, good for our pockets and much better for future generations.

REDUCE

Only use your red bin for items you can't avoid, reuse or recycle. Avoid single use items.

Choose products with little or no packaging, or with reusable or recyclable packaging.

REUSE

Say no to plastic bags. Take reusable bags instead. Buy durable and long lasting products that can be repaired.

RECYCLE

Put all clean recyclable material in your yellow bin. See below for what you can recycle.

RECOVER

Compost organic material including garden trimmings, lawn clippings and food scraps.

Use a Bokashi compost bin or a worm farm.

Use your local greenwaste only drop-off site.

CLEAN PLASTIC BAGS AND PLASTIC WRAP

Place in one bag and put in your **YELLOW** recycling bin. No loose plastic bags as they clog the machinery.

NEWSPAPERS, MAGAZINES, JUNK MAIL, CARDBOARD BOXES

Everything in the **YELLOW** bin must be clean material. Unfold and flatten cardboard. No cardboard that is waxed, lined with plastic or foil, or that has been contaminated with food scraps. No coffee cups, juice or milk cartons, no polystyrene trays.

ALUMINIUM AND TIN CANS

Wash and squash to maximise space in your **YELLOW** bin. Lids can be included.

NUMBERED PLASTICS

All plastics with recycling numbers 1,2,3,4,5,6,7 go in your **YELLOW** bin. Wash, squash, lids can stay on.

GLASS BOTTLES AND JARS

Washed bottles and jars go in the **BLUE** bin. All glass colours together. Lids go in yellow bin. No windscreens, crockery, ornaments, light bulbs, mirrors or window glass.
