### Subdivision consent requirements

As/if this is an application for a subdivision consent, I/We attach information that is sufficient to adequately define: *(delete if this is not an application for a subdivision consent)*

- (a) The position of all new boundaries; and
- (b) the areas of all new allotments; and *(delete if the subdivision involves a cross-lease. Company lease or unit plan)*
- (c) the locations and areas of new reserves to be created, including any esplanade reserves and esplanade strips; and
- (d) the locations and areas of any existing esplanade reserves, esplanade strips, and access strips; and
- (e) the locations and areas of land below mean high water springs of the sea, or of any part of the bed of a river or lake, to be vested in the Crown or local authority under section 237A of the Resource Management Act 1991; and
- (f) the locations and area of land to be set aside as new roads.

As this is an application for a resource consent for reclamation, I/We attach information to show the area proposed to be reclaimed, including its location, the position of all new boundaries, and the portion of that area (if any) to be set apart as an esplanade reserve or esplanade strip. *(delete if this is not an application for a resource consent for reclamation)*
