The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

I oppose the application.

I share the same concerns as my neighbours who have already submitted. I am between 63 and 79 River Ridge Road. The dust nuisance will be a major concern as the prevailing winds will carry the large amounts of dust from trucks and dredging directly onto our properties. The submitted videos will give you a clear indication of how bad it will be for us. The noise will be a major concern, especially as the operation is going for 10 hours a day for 3 years. I can hear the road traffic across the river as though it was a few metres away as the river valley amplifies the sounds. The visual pollution of having to watch an industrial activity ongoing with clouds of dust and noise for 3 years is just too much. These rural properties we purchased for the beauty and peace that rural living offers. We did not sign up for this level of industry on our doorstep.

Please upload any documents / photos that are relevant

"See note 4 (second tab) as you may incur costs relating to this request."
