Details of submission

The specific parts of the application that my submission relates to are:	The adverse effect of the proposed subdivision on an existing right of way access easement across our property at 124 Pearson Road.
--	---

The submission - include:

- whether you support or oppose the specific parts of the application or wish to have them amended; and
- the reasons for your views.

We oppose the subdivision consent in its present form. We wish to have the application amended by removal of the right of way easement in favour of 126 Pearson Road over 124 Pearson Road. The subdivision of 126 Pearson Road will create an additional property with right of way access across our property, potentially doubling its potential use for us at 124 as well as 122 and 108 Pearson Road.

We understand the right of way originally created to allow a single ownership vineyard access to a riverside gravel pit. The single vineyard property was subsequently subdivided to create a number of properties including 126 Pearson Road, and the right of way applied. The right of way has not been used for many years but there is the legal potential for it to be used. This further subdivision exacerbates that adverse effect. 126 Pearson Road has direct access to Crown riverside land and the subdivision will not change that,

It is our understanding that the owners of 126 Pearson Road are in agreement to removal of this right of way easement.

Please upload any documents / photos that are relevant

I seek the following decision from the consent authority.

Give precise details, including the general nature of any conditions sought

That the subdivision consent be declined unless it includes a condition requiring that the right of way easement in favour of 126 Pearson Road across 124 Pearson Road be extinguished.

Select below - Pursuant to [section 100A](#) of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority. "See note 4 (second tab) as you may incur costs relating to this request."
