## MV- Application for Minor Variation to an Existing Building Consent

| <b>Building Consent Number</b>  |   |
|---|---|
| Building (Minor Variation) Re   | gulations 2009  |
|   | minor modification, addition, or variation to a building consent that ntly from the plans and specifications to which the building consent  |
| relates.  | ity from the plans and specifications to which the building consent   |
| (2) The following are exam  | ples of minor variations and do not constitute an exhaustive list:  |
| lining for  | ng comparable products (for example, substituting one internal a similar internal lining):  |
|   | Il bracing changes:   |
|   | onstruction change (for example, changing the framing method used window):  |
|   | a room's layout (for example, changing the position of fixtures in a or kitchen).   |
| (3)The examples in subcl<br>(4)To avoid doubt, a mind   | ause (2) are only illustrative of subclause (1) and do not limit it. or variation does not include any building work in respect of the building code is not required by the Building Act 2004.  |
| For further information: MBIE Guid  | lance-What is a minor variation?  |
| scope of work. These need to be of Amendment include, but are no alterations that chang location of internal loa significant structural e | a <u>significant change</u> from the consented building design and/or dealt with through the Amendment to Building Consent process. Examples it limited to: the the footprint of the building, dbearing support (load path change), ngineers design (more than simple/easy-grant approval with PS1) are changes or revised fire safety aspects. |

For further information: MBIE Guidance-Minor variation or amended building consent?
