I request (red/yellow/blue - please indicate) \_\_\_\_\_ additional bin(s) because;

- There is a permanent, additional, separately used and inhabited house/flat/unit on the property (identify which).
- There is a second independent and separate business operating at these premises.
- The capacity of the existing bins does not meet needs.

I request (red/yellow/blue – please indicate) \_\_\_\_\_ replacement bins because; \_\_\_\_\_

## Note:

1. Each rateable property within Council's kerbside collection area is allocated one set of wheelie bins (red, yellow, blue).
2. Additional bins are available on request and will attract an additional targeted rate per bin.
3. You will be invoiced the service cost for the remaining months of the Council rating year until payment is included automatically in rates at the commencement of the following rating year.
4. An additional service fee is charged should a bin be returned to stock and then re-issued to a property.
