Note:

1. Each rateable property within Council's kerbside collection area is allocated one set of wheelie bins (red, yellow, blue).
2. Additional bins are available on request and will attract an additional targeted rate per bin.
3. You will be invoiced the service cost for the remaining months of the Council rating year and then payment will be included automatically in the rates at the commencement of the following rating year.
4. An additional service fee is charged should a bin be returned to stock and then re-issued to a property.
5. A cost of \$50.00 may apply for replacement bins but there will be no charge if damage done by collection contractor.
