

Application for New Kerbside Collection Bins

A property must have a street or rapid number and a Building Code of Compliance (CCC) before bins can be issued. If the property has a street or rapid number an exception may be made if the owner is residing at the address and CCC is scheduled.

A set of three bins (1 x Red refuse, 1 x Yellow mixed recycling, 1 x Blue glass) will be supplied.

Delivery can take up to 7 working days.

You will be invoiced the service cost for the remaining months of the Council rating year and then payment will be included automatically in the rates at the commencement of the following rating year.

Additional bins are available on request and will attract an additional targeted rate per bin.
