PART I - INTRODUCTION

Philosophy

1. The statutory function of Council is to lead and guide the good management of the District by determining primary goals and objectives, by setting strategies and policies for their achievement and encouraging this through the considered use of committees and the appointment of skilled staff.
2. Elected members as individuals have no statutory authority. Their role is therefore closely linked to meetings of the Council and its Committees allowing issues to be raised, debated and resolved.
3. The task of putting Council's policies to work is the responsibility of the Chief Executive Officer acting through Council staff. The Council, committees and community boards then monitor progress towards any objective. They do this not by putting each staff action under the microscope, but rather by seeing that key milestones are met.
4. These are best translated into action when the Council is planning and reviewing its plans and policies. When it comes to day to day matters, the Council's Chief Executive Officer and staff are in the best position to immediately resolve any individual problems. When necessary, a problem may be referred to the Council, a community board or a committee for consideration, along with all the options and implications of any policy changes.
5. The Council has therefore adopted a philosophy of delegation to the lowest competent level. This achieves the best use of the skills of Councillors and officers, minimises costs, develops effective managers and minimises bureaucratic interference in the lives of the residents of the Central Otago district.

General Principles of Delegation

6. The Council's powers, functions and duties are all prescribed either expressly or implicitly by various Acts of Parliament or Regulations. These set a framework within which the Council must operate.
7. Where Council is empowered by legislation to carry out a decision-making function, the decision to act must be by way of resolution of the full Council, unless otherwise provided in the legislation, or where the decision to act has lawfully been delegated to a committee, subcommittee, community board or officer.
8. Without delegation, the operation of the Council and its administration would not be effective, efficient or timely in delivering services. Delegation to officers generally implements the basic principle that elected members make policy and officers implement that policy.

The Legal Situation

9. Council's principal authority to delegate derives from Schedule 7, clause 32(2) of the Local Government Act 2002, which states:

“(2) *Nothing in this clause restricts the power of a local authority to delegate to a committee or other subordinate decision-making body, community board, or member or officer of the local authority the power to do anything precedent to the exercise of the local authority (after consultation with the committee or body or person) of any power or duty specified in sub clause (1).*”

Sub clause 32(1) states:

“Unless expressly provided otherwise in this Act or in any other Act, for the purposes of efficiency and effectiveness in the conduct of a local authority’s business, a local authority may delegate to a committee or other subordinate decision-making body, community board, or member or officer of the local authority any of its responsibilities, duties or powers except” The exceptions are set out in paragraph 44.

Operative Date

10. This Policy will come into effect on 14 April 2020 and will continue in force until revoked by the Council.

All earlier policies that conflict with or duplicate any provision in this Policy are revoked as from 14 April 2020.

PART II - GENERAL MATTERS OF DELEGATION

The Meaning of Delegation

11. Delegation means the assignment of a power, function or duty of action to another, together with the authority to carry out that duty or complete the action assigned with responsibility for the outcome.
12. Decisions made by any community board or committee pursuant to this delegation may be acted on without further reference to the Council.

Delegation by Exception

13. The Council has adopted the principle of delegation by exception. This means that all the powers of the Council are delegated to community boards, committees or the Chief Executive Officer unless a specific exception applies.

The exceptions are set out in Part III of this register.

14. Subject to the exceptions, the Central Otago District Council delegates to community boards, committees and standing committees all the powers, functions and duties relating to the scope and activity allocated to them, including the power to convene extraordinary meetings in terms of clause 22, Schedule 7 of the Local Government Act 2002.

Delegations to Community Boards

15. A community board may, at any time, refer any matter to Council for direction and/or determination.
16. Council cannot override a community board decision made pursuant to a delegation and consistent with Council policy. If the Council wishes to reduce the role of the community board it must *effectively* consult with that board first.
17. Each community board will select its own chair and deputy at the first meeting of its electoral term.

Delegations to Committees

18. Any standing or special committee may, at any time, refer any matter to Council for direction and/or determination.
19. The Mayor has the right to determine the structure of committees and appoint the Chair but this can be changed by resolution of Council (s41A(4)(b) LGA).

Delegations to Special Committees and Subcommittees

20. Special committees and subcommittees will have only the powers, functions and duties specifically given to them by the Council or a standing committee.

Sub-delegations to be in Writing and Recorded

21. Every sub-delegation will be in writing and will clearly define the nature, purpose and limitation of the power, function or duty delegated.
22. Every sub-delegation will be recorded in a manual kept for that purpose by the Chief Executive Officer.

Term of Delegation

23. Unless any delegation is stated to be for a defined term, it will continue until revoked by the delegator or the Council or withdrawn by operation of law.

Delegation to Office

24. Unless stated otherwise, every delegation is to a committee or office and will be unaffected by changes in the membership of a committee or the holder of an office.

Reporting Decisions

25. Every committee will report decisions taken under delegated authority in minutes submitted to the next available meeting of the Council, unless the committee is made up of the full Council.
26. Decisions taken by officers under delegated authority will be reported:
 - a) when:
 - i) a regular report is a condition of the delegation; or
 - ii) where any legislation requires reporting in a particular way; or
 - iii) where the decision is one of a class which the Council has directed should be reported; or
 - iv) where the Council, for any reason, should be aware of the decision;
 - b) as a regular comparison of performance against budget and approved plans:
 - i) a quarterly report on financial out-turn;
 - ii) each year an Annual Report in accordance with section 98 and Schedule 10 of the Local Government Act 2002.

Sub-delegation

27. Powers, functions and duties granted by the Council to a committee may be sub-delegated, by resolution of that committee, to a Council officer and that sub-delegation will be in writing.
28. Delegations to officers will be made to the Chief Executive Officer, who may delegate a power, function or duty to another officer or subcommittee of officers. As well as the discretionary delegations made under this register, there are provisions in various Acts applying to the Council which provide for powers, duties and functions to be exercised directly by specified staff.
29. Officers (other than the Chief Executive Officer) may not delegate powers and functions given to them. They may appoint working parties or other officers to advise them.

Call-Up Procedure

30. Nothing in this Register will limit the power of a delegator to exercise a duty, power or function concurrently with, or in substitution for, a delegatee.
31. Except in exceptional circumstances, a delegator should not:
 - a) if the Council, act without the advice of a Standing Committee, appropriate Community Board Chairperson or the Chief Executive Officer;
 - b) if a Community Board, act without consultation with the appropriate portfolio lead or the Chief Executive Officer;
 - c) if the Chief Executive Officer, act without the advice of the appropriate officer.
32. The Mayor may, on behalf of the Council, 'call up' to the Council any matter which has been delegated by the Council, other than one delegated to a Community Board and acted on in accordance with Council Policy. The delegatee will then take no further action on that matter until the Council has either:
 - a) decided that the matter should be referred back to the delegatee (with directions if any); or
 - b) determined the matter.
33. In calling up any matter to the Council the Mayor should consult with the chairperson of the relevant Committee or Community Board involved, and the Chief Executive Officer.
34. A delegatee may, rather than make a decision, refer a matter back to the delegator with a suitable recommendation. The delegator will then decide the matter.
35. Community Boards and Committees of Council cannot act contrary to policies of the Council and in particular the Council's Long Term Plan (LTP).

Appeals

36. Every person affected by the decision of a delegatee may appeal that decision:
 - a) in the case of a decision by an officer, to the Chief Executive Officer; or
 - b) in the case of a decision by the Chief Executive Officer or Committee, to the Council.
37. The Chief Executive Officer and the Council will not generally overrule a decision of delegatee unless:
 - a) it breaches some policy set by the Council; or,
 - b) some material fact was overlooked or misinterpreted; or,
 - c) it contains serious implications for the Council of which the delegatee was unaware; or,
 - d) it is manifestly wrong.

Policy and Fact

38. In making a decision every delegatee will consider:
 - a) any policy established by the Council;
 - b) the facts relevant to a matter.

39. If the facts relevant to any matter do not support a decision consistent with a Council policy, the delegatee should submit the matter to the Council with a suitable explanation and recommendation.

Estimates and Expenditure

40. The Chief Executive Officer may vary any sum or sums making up cost centre detail where:
- a) the net expenditure/surplus in that activity cost centre is not altered; and
 - b) the change is to allow for the more effective management of that activity in accordance with the LTP or Annual Plan.

Use of Council Seal and Authority to Sign

41. The Chief Executive Officer will be responsible for custody of the Council's seal and maintain records as to its use.
42. The seal may be attached to all documents that must be executed in this way by the Council. It will be attached, however, only when:
- a) the Council or a Committee has authorised the transaction involved; or
 - b) the transaction involved has been authorised by an officer under delegated authority.
43. The seal will be affixed in the presence of one person from each of the following groups:
- a) the Mayor or any elected member of the Council;
 - b) the Chief Executive Officer (or any other officer authorised by the Chief Executive Officer).

PART III - COUNCIL

44. The following matters CANNOT be delegated by Council (Schedule 7, clause 32(1) of the Local Government Act 2002):

The power to:

- make a rate;
- make a bylaw;
