Parking reminder

With the busy summer season just around the corner and our towns getting busier, we want to make sure everyone gets a chance to get a park when they head out shopping. Our parking enforcement officers will be back 'on the beat', having had a bit of a break over the quieter winter months.

Enforcement of car-parking restrictions in Cromwell and Alexandra's town centres will begin again in December. Please pay attention to parking limit signs around central business areas. Remember we are still fortunate to have free parking with no meters. You will only get a ticket if you overstay your welcome in a spot.

The parking restrictions are in the business centres of Alexandra and Cromwell, and are in effect from 9am to 5pm Monday to Saturday. They time restrictions range from 10 minutes to two-hour parking, depending on the location.
