Central Otago Awards 2019

The Central Otago Awards are now open for entries and nominations.

The Awards are presented biennially to recognise businesses and individuals that are achieving great things and exemplify the spirit of the region. The Awards programme has been running since 2007 and has been an opportunity to celebrate excellence, innovation, big hearts and the amazing contribution many make to our district.

The categories are Business Excellence, Apprentice, Young Professional, Community Service and Youth.

This year we've made the entry process for the Business Excellence Award much easier with only a short entry form to complete and then an interview with our business judging panel.

Anyone can nominate a business to enter the Business Excellence category. Simply complete the nomination form available on the awards website and we will contact the business to invite them to enter.

More information, including all entry and nomination forms, can be found at www.centralotagoawards.co.nz.
